

# HOME INSPECTION AND CERTIFICATION COURSE

## ABOUT THE SCHOOL.....

As a direct result of our 39 years teaching experience we received numerous calls to develop and teach a home inspection course. The course is being taught by a person who has been in the Home Inspection business since 1993 (17 years).

## ABOUT THE INSTRUCTOR.....

Jose F. Uz, Ph.D. - Registered Wood Destroying Organism Inspector since 1993, Licensed Roofing Contractor since 1997, Certified Home Inspector since 1998, Certified Housing and Design Consultant since 2000, and Certified Pest Control Operator. Dr Uz has been giving training seminars in different areas of the home inspection business since 1998. He has supervised tens of thousands of inspections as well as roofing and fumigation projects over the years while successfully operating a major South Florida firm in 15 Florida Counties.

## ABOUT THE HOME INSPECTION COURSE..... (Includes 4 point inspections)

You will receive the technical and business training necessary to certify you in the home inspection business. This training course is designed for the specific needs of the South Florida market. You will not be subjected to needless training nor the over abundant information which is not common to practice. This course is prepared with your success in mind. No glorification - No waste - Straight to the issue. Only what you need to know!!! Receive training in Wood Destroying Organism Inspections (also known as Termite Inspection in the Real Estate industry) the most requested inspection. CES is the only school offering full WDO training by a Florida Certified Pest Control Operator.
