

WIND MITIGATION INSPECTOR TRAINING AND CERTIFICATION COURSE

Approved for 7 Hours #0010898 Continuing Education. Provider # 0000862

ABOUT THE SCHOOL.....

Contractors Exam School, Inc., has been helping candidates pass State and County contractors examinations since 1971 (39 years). Because of our 39 years teaching experience we were asked by several home inspection companies to develop and teach a wind mitigation inspector and certification course.

ABOUT THE INSTRUCTOR.....

Paul Wingard, P.E., LEED AP, is the chief instructor for C.E.S. with 14 years exam preparation teaching experience. Paul is a registered PROFESSIONAL ENGINEER in Florida, Georgia, Maryland and New York. Paul is a - LEED Accredited Professional & holds Contractor Licenses for Florida General Contractor, Roofing Contractor, Underground Utility Contractor & has passed the exams for State Pool Contractor, Building Contractor, Specialty Contractor & County Aluminum, not activated.

ABOUT THE WIND MITIGATION INSPECTOR COURSE.....

You will receive the technical training you will need to complete the uniform mitigation inspection form required by the Homeowner Insurance Industry. You will become a Certified Wind Mitigation Inspector. Current law allows General, Building and Residential contractors to sign off on the forms, also Architects and professional Engineers. NOTE: The Wind Mitigation Inspector certification issued by C.E.S. does not require payment to any organization for performing an inspection.
