Re: Master Plumbers Exam

Dear Patrick:

My name is Brian Trematore, President of Brian Trematore Plumbing & Heating, Inc., located in Northern New Jersey. I would just like to take a minute, to thank you for all the time and consideration from your office, in connection with the Master Plumbers Exam, June 18th & 19th.

Being from out of state, I was unsure of the preparations and requirements for Licensing in the state of Florida. Your help ranged from explanation of the application process through the seminar information, which led to the actual taking of the Exam. I felt confident about sitting for the Exam, as a result of, not only your ability, but also your availability to answer whatever questions I had concerning the Exam.

As I prepared for the Exam, I was well aware of the pass/fail rate. However, it was with the help of your office, the seminars offered by the Contractors Exam School and the home study preparations, that I was able to pass this Exam, without hesitation.

Once again, thank you for all your help, and I will be sure to recommend your organization to others in the future.

Should you have questions or comments, please do not hesitate to call me. 973.227.8330

Cordially,

Brian Trematore
President
